Does the Person You Love...? A Guide for Women

Does the person you love...

- Track of all of your time and your whereabouts?
- Constantly accuse you of being unfaithful?
- Discourage your relationships with friends and family?
- Prevent you from working or attending school?
- Criticize you for little things or blame you for everything that goes wrong?
- Anger easily when drinking or using drugs?
- Control all finances and force you to account for the money you spend?
- Humiliate you in front of others?
- Destroy personal property or sentimental items?
- Threaten to hurt you or your children?
- Hit, punch, slap, kick, shove, or bite you or your children?
- Use or threaten to use a weapon against you or your children?
- Force you to have sex against your will?

If you find yourself answering "yes" to any of these questions, now is the time to get help.
